HIGHLAND CENTENNIAL

YEARBOOK

HIGHLANDS SCHOOL

Mr. F. G. Botsford
PRINCIPAL

This final school publication takes the form of class and group pictures. I wish to congratulate those who thought up this project and who worked so well in putting it together. This could be the forerunner of a Highlands Year Book. The success of a school depends upon the character of its student body and its teaching staff - as I look over these pictures, I see many who have made fine contributions to our school life. To these, I extend my personal appreciation. A considerable number of faces in this issue will not be returning next September, among these, our graduating students in grade nine, who will be entering senior high school. To those leaving us, we wish every success in their new fields, and to all I wish a happy and carefree summer vacation.

F. G. Botsford,
Principal

MESSAGE FROM THE PRESIDENT

This year we tried to do as much as we possibly could.

We attempted to get individual student pictures, but a vote was taken among the teachers and the idea was defeated.

Centennial jewelry was obtained for the school; the Students' Council would have made a small profit if one of Highland's thieves hadn't lifted half of it from Mr. Armstrong's drawer. The money for these had to be taken from the Students' Council funds to re-order the stolen jewelry.

Dances were held nearly every month--the November dance had a band as entertainment. The majority of these dances were flops because of crummy participation. We had pop and chips at two dances and we had fudgesicles, cream-sicles and revels at the dance on June 2nd. Charlie Brown, the CHED DJ, was present for a record hop.

Besides this, a door-decorating contest was held the week before the Christmas Holidays in which Room 3 took first place.

The Students' Council was given some credit for the Mukluk Winter Carnival but actually Mrs. Nash and Mr. Holzer did most of the work.

And here's our yearbook, including class pictures. It may not be the best, but at least it's a start.

Susan Banford
President (1966-67)

FELLOW STUDENTS:

This year we started with \$94.00 left from last year.

The Students' Union cards cost \$22.00; the Students' Union fees brought approximately \$256.00.

At the Christmas dance we had a shocking \$20.00 loss although the next dance brought us \$5.00.

We payed for various other items--gift certificates, pins, rings and the June 2nd dance (which brought a profit of \$7.68 from refreshments).

Throughout the whole year we spent \$372.10 and we had \$488.59. It was a good year.

Erica Gallwitz
Treasurer

JEWELRY STOLEN FROM ROOM 20

An unknown thief stole about \$19 worth of Centennial jewelry recently.

The theft probably occurred on May 24, Mr. Armstrong said. The jewelry was taken from the desk drawer in Room 20.

The stolen jewelry was re-ordered at the expense of the Students' Council--that is, the fifty cents that everyone, including the thief, paid last fall.

It would be appreciated if the thief returns the jewelry to Room 20 anytime, without revealing his or her identity.

ELECTION RALLY: CHEERS AND SPEECHES

The election rally before the election was not very well-attended. Those who did attend cheered and clapped for each candidate.

The rally started about ten minutes late because few students showed up at 12:40.

After Susan Banford introduced the candidates, Naomi Diducki and Mike Calverly outlined their plans for the next year if they were elected president.

Several of the other candidates introduced themselves with a few election promises before the students left to mark their ballots.

CALVERLY LEADS BOYS IN '68 COUNCIL

Mike Calverly was elected President by a considerable margin over Naomi Diducki. In his rally speech, Mike mentioned that in the past two years the Students' Council hadn't done well under girl leadership.

A few votes elected Erica Gallwitz as secretary over Pat Palmquist. The results were so close that the ballots were counted four times.

Roy McPhail defeated Louey Unwin and Janet Tolhurst for the office of treasurer.

The girls of Highlands favored Donna Snell as girls' sports representative over Markiana Cycar.

The position of vice-president was taken by Brian McClary, followed by Larry Pashak, Bernice Duncan, Sharon McCausland and Jim Cox.

CHARLIE BROWN AT JUNE DANCE

Charlie Brown, the CHED disc jockey, was the star of the June 2nd dance.

At about a quarter to four Susan Banford announced the election results. Mike Calverly's victory brought wild cheers from supporters.

Charlie Brown arrived late at five minutes to four. He led the small crowd of students in the new gym in a rousing cheer for H-I-G-H-L-A-N-D-S.

Later, more students danced. At one point, Charlie Brown called Peter Welyki to the stage to put ladies bloomers on Linda Kosmick. The "bloomers" were artificial flowers. Peter was given a James Carr LP and Linda was given two tickets to Johnny Rivers' show.

COOL STUFF SELLS HOT

The rest of the students were in the old gym buying fudgesicles, creamsicles and revels. Because of the hot weather, very few revels were left over.

When the dance stopped at five minutes to five, a profit of \$7.68 was made.

The trend seems to be toward boys in council leadership. Several of the elected--Erica, Brian and Roy--have past experience or sisters previously in the council.

NEWS

In the ELECTIONS last year, Susan Banford was elected president, Penny Mantle secretary, Erica Gallwitz treasurer and Lynn Filipchuk vice-president.

Throughout the year, SIX DANCES were held: October 28, November 25, December 16, January 27, March 17 and June 2.

On November 9, the Students' Council decided to try to get SCHOOL PICTURES, but teachers voted against them.

Room 3 won the DOOR-DECORATING CONTEST before Christmas with their "Peanuts" theme.

In January, the School Board CLOTHING REGULATIONS were put into effect again. Girls weren't allowed to wear slacks in weather warmer than 20 degrees above.

EDUCATION NIGHT was held on March 13th and 14th.

Coke and chips scored with hungry students at the MUK-LUK DANCE, March 17.

EASTER EXAMS came late--on the 12th, 13th and 14th of April.

Students ordered CENTENNIAL JEWELRY through the Students' Council.

A YEARBOOK PLAN was suggested by Mr. Dawson and Mr. Armstrong.

June 2 was the big day--AWARDS DAY--for Highlands students.

June 2 was also ELECTION DAY.

SPORTS

In the fall, Highlands' SOCCER TEAM tasted defeat too often.

FLAG FOOTBALL took a touch of comedy as the Highlands Jets, the teachers' team, won most of the houseleague games.

The BIKE DRAG was an encouraging caper, also last fall. Many students didn't ride, but wished they had.

The SENIOR GIRLS VOLLEYBALL TEAM gave Highlands something to be proud of when they swept through zone competitions and defeated Stratford to become North-side champs.

Despite optimistic predictions, the SENIOR BOYS BASKETBALL TEAM failed to rank well in intra-mural games.

MUK-LUK '67 gave students a chance to enjoy the snow on March 17. Egg-throwing and cake-eating contests were very popular with the Muk-luk crowd. Grade 7 winner was Rm. 12, Grade 8 winner was Rm. 3, and Grade 9 winner was Rm. 25.

On May 25, Highlands took last in the TRACK MEET against Lawton and Newton.

On May 30, Highlands placed Fourth in the ZONE TRACK MEET.

The 800-MILE MARATHON RUN created many pairs of sore legs and a well-beaten track.

On June 2, Valerie White and Fred Hofstede were named ATHLETES OF THE YEAR.

SPORTS

Crystal Ball Department

Here I sit with only a crystal ball to forecast the next year. I close my eyes, gasp and gape into the ball. Here's what I see:

Internationally-

-Edmonton Esks taking the Western Conference but losing to Regina in the Finals. Eventually Ottawa will take the Grey Cup.

- Detroit Tigers edging the Pittsburgh Pirates in the World Series.

-Chicago Black Hawks taking the Stanley Cup over the Canadiens.

-George Knudson emerging the Golfer of the Year.

-The bowling title going to Ernie Terrell.

-Within 10 years, an astrodome in Edmonton.

Locally-

-All Highlands teams--including soccer, basketball and track--improving immensely.

-Highlands winning its first track meet in years.

-The Bike Drag and Muk-luk Day staying but Highlands not having another Challenge Race.

What-ever-happened Department

What ever happened to the Broomball at Muk-luk Day?? that 1½ mile marathon they had two years ago??

THAT WAS THE YEAR THAT WAS

Well, as we anxiously await the final day, may I drag your eyes over the past year in sports.

'Way back in September, the soccer team...er...ah...didn't have the best year to cheer about. As soccer finished, there was that great Bike Drag which, with a little organization, could become the event of the year.

(continued next column)

Next, let's try volleyball where our girls put the boys to shame by coming ever so close to winning the City Finals. Basketball was another bad spot as the team started off with high ratings and ended low.

Hmm...that leaves the Muk-luk Day which, for a start, was not bad. The Track Meet was a disappointment with everyone saying, "When we won so many events, how come we get a lousy third?"

Baseball looks as always... a wee bit on the mediocre side but it is a ball to watch (ha ha!)

That leaves...absolutely nothing but the hopeful cry of... "Wait until next year!" echoing through our halls.

HIGHLANDS 4TH IN ZONE TRACK MEET

Highlands placed 4th in the zone track meet on May 30, while H.A. Gray placed first.

Congratulations are given to 1st winners: the Girls Shuttle Team (Ingrid Dowsett, Margaret Hogue, Darlene Kushnerik, and Valerie White), Nicky Horobec, (junior boys high jump), Bob McPherson (junior boys hurdles) and Janice Wasylenchuk (intermediate girls hurdles.)

Besides the first place winners, our second place winners (Russel Weir, Gerald MacLachlan and Elaine Yusak) will compete in the City Track Meet.

HIGHLANDS IN EXPO CAPER

Edmonton students from grades 9 to 12 are going to visit Expo, including Highlands. The cost will be \$140 for transportation, room and board, and an Expo passport.

Highlands students leave mainly on August 4, 5 and 6 for seven days at Expo. They will travel by CN.

A high school students' committee is planning a teen Expo during Klondike Days based on the theme "The Student and His World".

Sub-themes include "Student the Creator", "Student the Explorer", "Student and His Future", "Student in the Community" and "Student in Sports".

CONCERT: A SUCCESS

On Concert Night, May 31, at 7 o'clock, the four orchestra classes presented the annual music concert in the new gym.

The Grade 7 and 8 classes played three pieces each and the Grade 8's combined at the end of the concert for two extra pieces.

Raymond Yee and Debbie Idland played a flute duet, "Yellow Bird", folloed by a horn trio, "Melody of Love" by Lorraine Kushnerik, Neil Parker and Janice Wasylenchuk. Jennifer Geddes and Cherril Thiesen played "Born Free" on clarinet.

Comments from parents indicated that the rooms gave a good performance.

Claire Radke

TRACKMEET BLUES

On May 25, Highlands placed third at the trackmeet at Eastglen.

Points were: Newton--249
Lawton--227
Highlands--212.5

Since Newton's student body is only half of Highlands' or Lawton's, Newton's actual score (124.5) was doubled.

Highlands did much better in the track events than in field, winning Junior, Intermediate and Senior relays.

DOUBLE-WINNERS ON THE SPORTS LIST

Girls placed first or second in all events except Junior hurdles, Intermediate high jump and Senior high jump.

Fred Hofstede deserves special mention for winning the mile relay.

Double-winners are:

Junior Girls--Jo-anne Getzowsky
and Marty Rouse

Intermediate Girls--Robin Morley
and Lorraine Kushnerik

Senior Girls--Rose Wong and Valerie
White

Junior Boys--Jim Bell

Intermediate Boys--Fred Hofstede,
Russel Weir, Nicky
Horobec, Bruce Herbert,
and Daniel Waldon

Senior Boys--Ken Caswell and Gerald
MacLachlan

HIGHLANDS STUDENTS RECEIVE AWARDS

Seventy-eight students received awards on June 2.

Certificates of merit were given to honour students and athletic certificates to the outstanding athletes of our school. Shop and home economics honor certificates were given to several grade nines.

Dear Haggie,

Lately I've been feeling funny every time there's a full moon. My hands and face get a little hairy. What's happening to me?

Disturbed

Dear Disturbed,

Take two aspirins and lie down for awhile--it's nothing serious!

Haggie

Dear Haggie,

Every day at school I get kicked, hit, and bitten. Why do the kids do this?

Mutilated

Dear Mutilated,

Because you don't wear an armour suit.

THE VOLCANO PRIMER

See the nice volcano,
Boom, boom, boom!
When they say it blows its top
They really mean it.

Look, look, look
Oh, this is funny
See Tom and Sally land on the island.
See Mother and Father land on the
island.

See Puff and Spot land on the island.
What they don't know is
That it is volcanic.

Ha, ha, ha
See funny, funny Father
He is examining the rocks on the
island.

See Father go up to the mouth of
the volcano.
Oh, see Spot come up behind Father.
Bark Bark goes Spot.

See Father fall into the volcano.
Ecch, Ecch, Ecch.
Father doesn't look too good
petrified.

Oh, look, Mother is mad at Spot.
She doesn't want a statue for a
husband.

See Mother hurl Spot into the
volcano.

Ecch, Ecch, Ecch.
Oh well, they can use him for a
garden ornament.

Oh, look, Tom is mad.
He liked Spot very much.
Oh, look, Sally is mad.
She liked Spot very much too.
See Tom and Sally hurl Mother into
the volcano.
Ecch, Ecch, Ecch.
This is known as total integration.

WRAPPING UP THE YEAR

June! Although we eagerly a-
wait the end of the school year,
it is hard to believe that June
is already here.

This last issue of the High-
lands Spectacle combined with the
Yearbook wraps up another year for
53-year-old Highlands School.

Although this year will hardly
stand out in Highlanda' history,
we did have a variety of happenings.

The News and Sports roundups
will show you the major events of
this year--but an important part
of this year's activities has
been omitted, namely...

...the enthusiastic work of
such teachers as Mr. Holzer, and
Mrs. Nash and Mr. Armstrong, plus
Mr. Dawson and Mr. Samuel.

...the Highlands Spectacle
itself. Under the guiding wing
of Mr. Samuel, we have published
seven newspapers (not including
this issue) and two "extras" to
spread hot news. True, the
issues were never very big, but
we printed news about our school
and the students.

So now we can take a long look
at the past year and decide what
we did right, and the mistakes we
made.

The biggest mistake, in my
opinion, was the "let-the-other-
guy-do-it" attitude that held
Highlands back. We've got to learn
the meaning of "action."

Whatever our mistakes, we can try
again next year--try to correct the
past mistakes and try to make
Highlands the superior school it is.

L S D

Yes, I'm alone and lonely;
Nobody calls me friend.
I live for myself only
And will, till my life ends.
I have no need for friends, you know,
I escape reality
And to a world of peace I go
On wings of L S D.

Now look around you, brother,
To what life has become--
We don't love one another;
We're shadowed by the bomb.
This whole damn world just breaking--
It makes me sick to see
Not giving, only taking--
Thank God for L S D.

Oh! Yes, they call me rebel,
They laugh at what I am,
But World, you can go to Hell
'Cause I don't give a damn.
Men have their dreams of glory
With thoughts of what they'll be;
And call me mad and gory
When I turn to L S D.

The room's now slowly swaying,
The cube's begun to work;
The lamp and pictures swaying,
The chairs have gone berserk.
I feel myself now falling,
An angel rescues me;
The world's no longer calling--
It's drowned in L S D.

HOW TO DRIVE TEACHERS MAD!

Driving teachers mad is an art. Room 17 is expert at this. Ask any one of them. But, if you do not have the time to consult one of them, here are a few pointers:

1. When the teacher walks in, take up half the period hunting for books, binders and textbooks.
2. When he finally tells you the assignment, ask a thousand questions on what to do, right after he finishes.

This is all fore-play. Now close in on him. Hem him in from all sides. Now! Sharpen combs, throw chalk, erasers, pencils and black-board brushes. Read magazines, pass notes and generally make a minor stampede. The method will prove to have sure-fire results.

In exams, the field of pointers is limited. You might:

1. Hop over desks, making sure that you land with a thud.
2. Make two hundred trips to the washroom and fountain.

Last, but not least, disregard all above rules and lay off. The teachers probably hate you enough as it is.

Grade 7

THE ABSTRACT WORLD OF ART

Upon entering the art exhibit at the fair, you may choose abstract art to study. An exhibition of abstract art, thought of as the art of "lost thought", makes you try to understand the artist's evaluation towards his chosen subject in which he used to imagine the picture in reality.

The actual image in the mind of the artist may be of many types.. Abstract portraits of body figures and scenic views such as landscaping tend to introduce a number of thoughts into your mind. The being of abstract art is that which avoids the representation of realities and ordinary conventional designs.

Aside from the nature of the exhibit of the "lost thought" of art, imagination and surroundings remain factors in the ideas of abstract art. A good imagination, especially needed to determine the actual image of the painting is a rare source. The surroundings must be cool and of a background of a misty color to bring out the hidden objectives in the drawing.
